

FRONTEND DEVELOPER

(m/f/d) | Graz, Austria | 38.5h

We're looking for experienced frontend developers to join our team in Graz. In this role you will have the opportunity to work with young professionals and with state of the art technologies on unique and creative projects.

Apply now and join us on our journey!

YOUR SKILLS

- Profound knowledge in one of the prominent frontend frameworks React, Angular or Vue
- Proven skills in JavaScript, CSS and HTML
- Experience in related frontend technologies (jQuery, SASS, npm, webpack, linting, etc.)
- Knowledge of styling guidelines, different web browsers and their problems

YOUR JOB

- Starting new Frontend projects from scratch
- Developing, extending and maintaining responsive web applications
- Optimizing user experience according to UI/UX best practices
- Modernizing and reclaiming existing codebases

YOUR BENEFITS

-  Remote-friendly company with flexible working hours
-  Collaborating with a young and motivated team
-  Modern office with comfortable, air-conditioned working places, kitchen, terrace, garden, parking slots and chill-out zones
-  State of the art equipment which can also be used privately
-  Free beverages, fruits and occasional company events

WHY APPMEA?

APPMEA is a Styrian IT company, specialized in designing and developing modern mobile and web applications. As a young and dynamic IT company, we know that our greatest strength is our team - that is why we encourage our employees to be the best versions of themselves.

We reward self-initiative, creativity and personal development. We work in our own creative style, so we can lead the way instead of just following behind.

Apply now and find out for yourself!

YOUR SALARY

We believe in a fair salary. That's why we are willing to pay above-average salaries.

The minimum monthly gross salary for this position under the terms of the IT collective agreement (ST2 – Entry level) amounts to € 3.139,-.
